Optional Saturday Add-On: *Sign up for hands on simulations with the University of Iowa SIM-IA truck!*

Simulation in Motion—Iowa (SIM-IA) answers a critical need for emergency and trauma related simulation training in rural areas of Iowa. This year, IOMA and SIM-IA are partnering at the UMOHC to offer limited availability simulation training opportunities for our attendees.

Simulations will run hourly on Friday, May 3rd. *More info to come.*

For more information about the University of Iowa SIM-IA truck, visit: <https://sim-ia.uiowa.edu/>
