

Telemedicine

Telemedicine brings a whole new world into your practice of medicine.

Telemedicine can be a wonderful addition to your practice, both as a way to generate income and provide easier access to care for your patients. There are some risks that come with this however and things to consider before starting a telemedicine practice.

[The Possible Dangers of Buying Medicines over the Internet](#)

A telemedicine visit:

- Establishes a physician-patient relationship
- Requires a license in the state the PATIENT is located in
- More information can be found through the [Iowa Board of Medicine](#)

1

TELEMEDICINE IS NOT
BUYING MEDICATION
OVER THE INTERNET

2

TELEMEDICINE
REQUIRES THE SAME
STANDARDS AS AN
OFFICE VISIT

3

TELEMEDICINE IS
REGULATED BY THE
STATE

IOMA supports telemedicine within it's limited scope by physicians licensed to practice medicine in the state of Iowa

There are several reputable companies that will hire physicians to provide telemedicine services.
